

Date: December 23, 2005

Dear Consumer:

It has recently been brought to our attention that one of our dietary supplement products, Red Yeast Rice Plus (the "Product"), contains Lovastatin, a chemical that is listed as a reproductive toxin pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986 ("Proposition 65, California Health Safety Code Section 25249.5 et seq.)

Lovastatin is listed by the Governor of the State of California as being a chemical known by the State of California to cause cancer or reproductive toxicity, or both cancer and reproductive toxicity. The Product that you purchased did not contain the necessary warning label advising you of the following: This Product contains Lovastatin, a chemical known to cause reproductive toxicity (e.g., birth defects). Consult with your physician before using this Product to avoid adverse interactions with statin drugs and to review the known side effects of Lovastatin use by consumers like you.

You might have purchased this Product. We know you have placed your trust in our products and we deeply regret and apologize for any inconvenience or concerns that this may cause you. We are, therefore, offering the following:

1. Longstar will offer you either a full refund for the purchase price of the Product, or if you prefer, issue a store credit to you equal to the amount of the purchase of the Product. You may contact our customer service number at 1-888-327-5664 to request a full refund. Your request should be accompanied by a proof of purchase indicating the price paid.
2. To the extent that you still have any unused Product, you are requested to dispose of the Product or to return the Product to Longstar, at Longstar's cost.

If you have any questions regarding the above, please feel free to contact one of our customer service representatives.
